

Activities happening in Occasional Care

5th May 2020

This week in Occasional Care, the Joey children have been exploring their drawing techniques, through using textas on paper.

As it is coming up to Mother's Day, we decided to draw a picture with textas, glue it onto a folded piece of coloured card, and make it into a Mother's Day card.

You could use any type of paper, card, glue or stick on pictures, or draw a picture using textas, crayons or any writing tools you have at home. You could even paint Mum a picture.

I would love to hear your ideas and see what you have created. Maybe you could send a photo or bring this in when you come back to Occasional Care.

Next week (12th May) in Occasional Care, we are exploring the weather and nature.

We have been looking for bugs in the Mud Kitchen, under logs outside, jumping in puddles, and exploring the leaves.

I wonder what you can find at your home outside in your garden.

Do you have leaves falling from your trees?

Have you seen puddles from the rain outside?

Do you have bugs and insects in your garden?

It would be great if you could share this with me, and we can talk about it the next time I see you.
