Children need to be walking to
attend our Occasional Care

Occasional Care

Occasional Care is available for children who do not access any other care like Kindergarten, Childcare or Family Day care.

Once your child is enrolled within the program you will hold a weekly booking for the entire term. The cost per week is:

- \$5 per session and \$20 consumables
- \$1.50 per session and \$15 consumables if you have a health care care- as below (concession)

You will be charged as a termly fee. Fees are still charged if you do not attend your session.

How to register

Phone, email or come and visit the Children's Centre to get a registration form.

We will then contact you via phone or email to offer you a spot in Occasional Care when a place becomes available.

Families will be asked to come for at least two visits before commencing in Occasional Care.

We recommend that you attend playgroup at our site to support your child to become familiar in coming and this will help the transition across to Occasional Care.

You can find out what's on this term by visiting our Facebook page.

We will ask you for a copy of your child's current Immunisation from the Australian Immunisation Register. See example. You can find out how to access this at: www.servicesaustralia.gov.au/australian-immunisation-register
